Individuals who violate the terms of this policy will be reported to the appropriate law enforcement officials and may subject to the following sanctions:

- Placement on probationary status;
- Temporary suspension from classes and activities;
- Suspension for a semester from classes and activities;
- Expulsion
- Eviction from residence life facilities;
- Ordered to seek professional substance abuse counseling

Students subject to these penalties will be afforded all due process rights to which they are entitled by law or under current policies affecting student discipline. In addition to the above sanctions, a student may be required to meet with the college officials for referral to the appropriate intervention resource. In lieu of suspension or expulsion, a student may be required to complete a drug or alcohol abuse education or treatment program as a condition of continued enrollment. The cost of completing such a program will be the responsibility of the student.

In order to ensure that students of the College are aware of the standard of conduct established by this policy and the sanctions for violation of that standard, the health risks associated with drug and alcohol use and abuse, the legal sanctions for unlawful possession and distribution of illicit drugs and alcohol, and the drug or alcohol counseling, treatment, rehabilitation or re-entry programs that are available in the area for students, this information will be available to all degree-seeking students of the College through the following information sources:

1. The Student Handbook/Academic Planner;
2. A presentation from Student Services at Freshman Orientation;
3. Through the College Skills course

This program will be reviewed biennially by college officials. The purpose of the review will be to determine the effectiveness of the program, to recommend the implementation of changes in the program, and to ensure that the sanctions are consistently enforced.
