¹The six hours of humanities gen. ed. must represent at least two different disciplines in fine arts, history, literature, or philosophy.

²Check transfer requirements when selecting a natural science. Some universities may require two sciences as a gen. ed. and/or elective.

³The six hours of general education social sciences must represent a minimum of two different areas of study.

⁴College Skills and Resources is a required course for all first time, full-time entering Freshmen.

⁵Electives are any college coursework at or above the 100 level. Each Department maintains a list of recommended electives. Students are strongly encouraged to consider transfer institution requirements when choosing elective courses.
