
TOPIC:	Policy Number:
Alcohol and Controlled Substance Abuse - Procedures	E4

Individuals who violate the terms of this policy will be reported to the appropriate law enforcement officials and may be subject to the sanctions defined under Policy E1, Student Code of Conduct.

Students subject to the penalties will be afforded all due process rights to which they are entitled by law or under current policies affecting student discipline. In addition to, a student may be required to meet with the college officials for referral to the appropriate intervention resource. In lieu of suspension or expulsion, a student may be required to complete a drug or alcohol abuse education or treatment program as a condition of continued enrollment. The cost of completing such a program will be the responsibility of the student.

In order to ensure that students of the College are aware of the standard of conduct established by this policy and the sanctions for violation of that standard, information will be provided to all students of the College through the following information sources:

1. The Student Handbook and Residence Life Handbook;
2. A presentation at Orientation;
3. Through an Internet Training Module;
4. Student Programming each semester

This program will be reviewed biennially by the Student Affairs Committee. The purpose of the review will be to determine the effectiveness of the program, to recommend the implementation of changes in the program, and to ensure that the sanctions are consistently enforced.
