

# Science Instructor

Cloud County Community College seeks a Physics Instructor at the Concordia Campus to begin in the Fall 2024 semester. The instructor will be responsible for developing and teaching college-level physical science courses within the science department, including Physical Science, Applied Physics, General Physics I and II, and University Physics I and II. Master's degree in Physics, or a related field required. This position will require the use of instructional technology. Prior teaching experience preferred. Cloud County Community College is one of the 25 Aspen Prize semifinalists for 2023, which recognizes colleges for achieving strong and equitable student success outcomes. This is a full-time, tenure-track, nine-month position with a benefit package. Email a letter of application, CV outlining educational and professional experience, the names and phone numbers of five current references, and copies of all transcripts to [cwilson@cloud.edu](mailto:cwilson@cloud.edu) or send to the Office of Human Resources, Cloud County Community College, P.O. Box 1002, Concordia, Kansas 66901.
