Network Administrator

Cloud County Community College seeks a Network Administrator. This position is responsible for maintaining the network infrastructure. The position requires collaborative work within a team environment to ensure IT services are functioning effectively and the ability to assist in PC management and maintenance as needed. Bachelor's degree in Information Technologies or related field, or an equivalent combination of experience, education, and training is required. Basic computer software knowledge (Windows 7, 10, and MS Office, as well as OSX) and basic hardware knowledge is required. Knowledge of network topologies, server infrastructure, and MS management software such as Hyper-V, WDS, Powershell, and SQL is preferred.

This is a full-time, 12-month, KPERS covered, position with a benefit package that includes health insurance coverage and paid leave time.

Email a letter of application, resume, and the names and phone numbers of five current references, to cwilson@cloud.edu or send to the Office of Human Resources, Cloud County Community College, P.O. Box 1002, Concordia, Kansas 66901.
