

This certificate prepares you to work in a childcare or preschool setting or your own family daycare licensed by the state of Kansas. Additionally, this certificate provides you with knowledge to understand child development, guide individual and/or groups of children, plan developmentally appropriate activities for individual and/or groups of children, support families and learn to interact with the dynamics of families, understand nutrition and health for optimum development and to follow all the Kansas Department of Health and Environment regulations for childcare centers. This certificate assists the student in completing preparatory coursework for the Elementary Education Early Childhood Education Endorsement.

General Education Required Courses **3 cr**

Choose 1 of the following:

- __SS101 General Psychology (3 cr)
- __SS105 Human Growth and Development (3 cr)

Due to the nature of the work with young children and their families, all students enrolled in the lab courses must have a physical on file with a negative TB test and be cleared by the Child Abuse Registry through the Kansas Bureau of Investigation.
