16-Hour Certificate

Emergency Medical Technician – EMT Level I

This course of study will provide the participant with the preparation necessary to test for certification as an Emergency Medical Technician in the State of Kansas. This is the initial course of instruction required for persons involved in providing emergency care. Areas covered include: the control of an accident scene, care of the patient prior to transport, preparation for transport, transport and care of the patient while en-route to the hospital, transfer of a patient to a hospital emergency department, communications, reporting, record keeping, and vehicle care.

This Emergency Medical Technician course meets the course requirements of the Kansas Board of Emergency Medical Services as set forth in Kansas Administrative Regulations.

When taken with *General Psychology* or *Introduction to Sociology* and an open elective, the student will be awarded a college-level certificate. These courses will apply toward the requirements for an associate degree if the student wishes to continue their education.
