# Academic Regulations

## General Education

### General Education Philosophy

General Education expands students’ understanding of the world and prepares them for civic, social, and employment responsibilities. General education advances students’ abilities to function in diverse and dynamic environments by enhancing communication, stimulating critical thinking, exploring modes of inquiry, developing creative work, fostering constructive attitudes regarding learning, and promoting academic literacy.

The following courses are the approved courses that will fulfill the general education requirements for Cloud County Community College. These courses will fulfill the general education requirements for all degrees unless otherwise stated.
