Award Letter

This award package is based on Full Time Enrollment Status for Financial Aid Eligible Hours.
- **Financial Aid Eligible Hours** will be used to determine **Enrollment Status**.
- **Financial Aid Eligible Hours** are courses which are eligible to apply toward a CCCC degree or certificate.
- If a student is enrolled in courses that **do not** count toward their degree or certificate program, they cannot be used to determine Financial Aid enrollment status unless they are an eligible remedial course.
- The Financial Aid Office will prorate Federal Pell Grant based on the student's Financial Aid enrollment status if the student is enrolled in *less than 12* **Financial Aid Eligible Hours** during a payment period.
- Direct Loan eligibility can also change as a result of Financial Aid enrollment status.

Note: Financial aid eligibility is not fixed; your awards may change if additional information is received which requires an adjustment. Reasons for adjustment include, but are not limited to: changes in enrollment status, notification of additional sources of financial assistance, changes in government regulations or if any conflicting information is received regarding FAFSA information.

If you have a Federal Financial Aid credit, you may use it to charge books and supplies from the CCCC Bookstore to your student account or you may choose to opt out of this opportunity. If you wish to opt out, please complete the Opt-Out Book Refund form located under **Quick Links** on CCCC's homepage and return to the Financial Aid Office prior to the first day of classes.

SEMESTER AND DISBURSEMENT INFORMATION
Federal Financial Aid Disbursements are based on the actual number of **Financial Aid Eligible** credit hours attending at the time of disbursement. Delayed disbursements and refunds occur for classes that begin after the initial semester start date.

Disbursement occurs when financial aid funds are applied to the student account. If the financial aid disbursement is more than the charges on the student account, the student will receive a refund. **Below are scheduled refund dates for 2019-2020.** (There may be additional disbursements available for students whose financial aid was not completed prior to the deadlines for the scheduled disbursements listed below.)
