### To be eligible, a student must:

- Have an official ISIR on file for the 2023-2024 academic year.
- Have completed all verification requirements, if applicable.
- Be Degree-Seeking in an eligible program.
- Be enrolled in at least 6 credit hours that count toward that degree/certificate during the summer semester.
- Be in good academic standing, i.e. making Satisfactory Academic Progress.
- Have a Pell Lifetime Eligibility Used (LEU) percentage of less than 600%.

**NOTE:** All Federal Pell Grant Disbursements continue to count toward lifetime limits of 600%. All other Pell Grant eligibility requirements will apply.

The student's eligibility for Year-Round Pell Grant will be determined by the Financial Aid Office and posted to the Student's Account.

*The amount of Federal Pell Grants offered is based on the student's Expected Family Contribution (EFC) as determined by the student's FAFSA filing, the student's Cost of Attendance, and the student's FA Eligible Enrolled Hours.*

**Students who have not received full Federal Pell Grant for the fall and spring semesters may have remaining Federal Pell Grant from the original Pell Grant Scheduled Award.**

Different types of Federal Financial Aid require that the student be enrolled in a specific number of hours before being eligible to receive that offer. Students must be enrolled in at least half-time status to receive loans and will also need to complete the **Summer Loan Request Form** in addition to this form.

**Students are NOT eligible to receive Financial Aid from two different schools for the same enrollment period.**

If you intend to enroll at CCC and at another institution, please contact the Financial Aid Office.
